Dear 303 Residents,

LHO has started to get back in the swing of things with some activities actually taking place in the Community Room again as well as activities on zoom.

We have been informed by the City Council that our grant from them will be cut next year. We need your help now.

If you have not sent in your donation for our Annual Fund Drive, please do so as soon as possible.

Outreach works for the good of the residents of 303. Help us continue to do so.

Do you need a Notary?

We have the best!

Jack Linder is one of our star volunteers! He is a notary, commissioned by the State of New York, and resides at 303. If you need a notary, simply call the Outreach office to make an appointment, in many cases the same day. The notary fee is a \$3 suggested donation to Outreach.

NOTE* Do not sign the document you need notarized until you see Jack, and have a photo ID available.
